

“All I can say is I have taken more out of alcohol
than alcohol has taken out of me”

– Sir Winston Churchill

Sir Winston Leonard Spencer-Churchill born 30 November 1874 and died 24 January 1965 was a British politician, army officer, and writer. He was Prime Minister of the United Kingdom from 1940 to 1945, when he led Britain to victory in the Second World War, and again from 1951 to 1955.

Sir Winston Churchill had mixed English and American parentage and was widely considered one of the 20th century's most significant figures. Sir Winston Churchill remains popular in the UK and Western world, where he is seen as a victorious wartime leader who played an important role in defending Europe's liberal democracy from the spread of fascism. Also praised as a social reformer and writer, among his many awards was the Nobel Prize in Literature.

COCKTAILS

COCKTAILS

SLEEP OF THE SAVED | 24

Roku Gin, Lemon Juice, Lavender Syrup, Egg White, Celery Bitters

The name is taken from Sir Winston's recollections of his feelings after the Japanese attack on Pearl Harbour in 1941 as quoted in his memoirs that he had "slept the sleep of the saved and thankful". The reference is to his opinion that he, Britain and her allies could rest in their beds, knowing the US had entered the war and would provide valuable support in their fight against the Nazis. Blending Japanese gin and Lavender, with its restful sleep-inducing properties, pays homage to Churchill's thoughts that the allies could now rest and be thankful the USA had entered the war.

LORD RANDOLPH | 24

Haymans London Dry Gin, Campari, Antica Formula, Crème De Cacao, Chocolate Bitters

Sir Winston's father, Lord Randolph Churchill, was a progressive Conservative who coined the phrase Tory Democracy. This elegant twist on a popular classic gives you a taste of sophistication and stature.

FINEST HOUR | 24

Saffron Gin, Lillet Blanc, Lemon Juice, Blood Orange Syrup, Egg White

In this, one of Sir Winston's most impactful speeches, he delivered hope and encouragement to the British and Allied Forces fighting on against the Germans after the fall of France in 1940. Inspired by this we have taken Saffron gin made in Dijon and Lillet Blanc and combined them with a blood orange syrup paying respect to this historical moment and fallen allies.

IRON CURTAIN | 24

Stolichnaya Vodka, Aperol, Citric Acid, Lemon Ginger & Honey Syrup,
Cucumber, East Imperial Soda Water

In 1946 Sir Winston spoke of an imaginary "Iron Curtain" descending on the European continent separating Western Europe from the Soviet Union. The Stolichnaya Vodka and Aperol used to create this refreshing summer sipper refers to the Russian and European divide.

COCKTAILS

LADY RANDOLPH | 24

Olemca Altos Tequila, Campari, Lemon Juice, Pink Grapefruit Syrup

Lady Randolph Churchill, also known as Jennie Jerome, was Winston's mother and a very well respected American-born socialite.

FRANKLIN D. ROSEVELT (FDR) | 24

Wild Turkey Rye Whisky, Dom Benedictine, Absinthe, Sugar Syrup, Juniper Bitters

The relationship between Sir Winston and FDR grew stronger over the years. In Sir Winston's eulogy to FDR, he called him a "statesman and war leader and the greatest American friend we have ever known" This twist on a Sazerac and Monte Carlo celebrates the influence of a great American leader.

WE SHALL FIGHT ON THE BEACHES | 24

Titos Vodka, Kuyper Coffee Liqueur, Haymans Old Tom Gin, Maple & French Vanilla Syrup, Espresso

Second of a series of three speeches given by Sir Winston, yet again awakening hope and encouraging the allies to take the fight to the beaches of France, never giving up on the sight of victory. The Espresso Martini's top layer of foam depicts the beach surface and utilising selected ingredients from the allied nations we created a subtle twist of this countries favourite cocktail.

KING GEORGE VI | 24

Cigar Infused Eldorado 8yr Rum, Citric Acid, Ginger Syrup, Cinnamon Quill

Given the choice, King George would not have chosen Sir Winston as his PM but his admiration for his resilience grew as the war progressed.

COCKTAILS

QUEEN ELIZABETH II | 40

Pol Roger Champagne, Citadelle Gin, French Vanilla & Almond Shrub

Sir Winston was Elizabeth's first PM who she admired deeply. His lying-in-state for 3 days after his death was by her royal decree. Our take on a French 75 showcasing Sir Winston's favourite Champagne "Pol Roger" is a twist that is royal and elegant like Queen Elizabeth II herself.

LAPSANG "CHAR" COLLINS | 24

Lapsang Suchong Infused Haymans Old Tom Gin, Lemon Juice, Breakfast Syrup, East Imperial Grapefruit Soda Water

Sir Winston's favourite Tea was Lapsang Souchong and combined with the old English word for tea which is "Char", we have created a spin on an old classic "Tom Collins" incorporating the British love of tea and biscuits.

ROSA "SIR WINSTON CHURCHILL" | 12 | Mocktail

Rose Syrup, Cheesecake Syrup, Lemon Juice, Butter Cream, Rose Petal

In 1955 a rose was named after Sir Winston Churchill, Rosa 'Sir Winston Churchill', which is no longer commercially available. Many other variations of rose have since been produced and are also named after Sir Winston Churchill. The rose is the national flower of England and dates back in history to King Henry VII whose emblem was the Tudor Rose.

REID'S PALACE | 12 | Mocktail

Hibiscus Syrup, Lime Juice, Coconut Water, East Imperial Grapefruit Soda

Before becoming Prime Minister for the second time in 1951, Sir Winston Churchill wanted to retreat somewhere 'warm, bathable, comfortable and flowery' where he could paint and work on his war memoirs. A friend suggested the Portuguese island of Madeira and recommended he stay at Reid's Palace in the capital Funchal.
